

LET YOUR EVENT TAKE FLIGHT

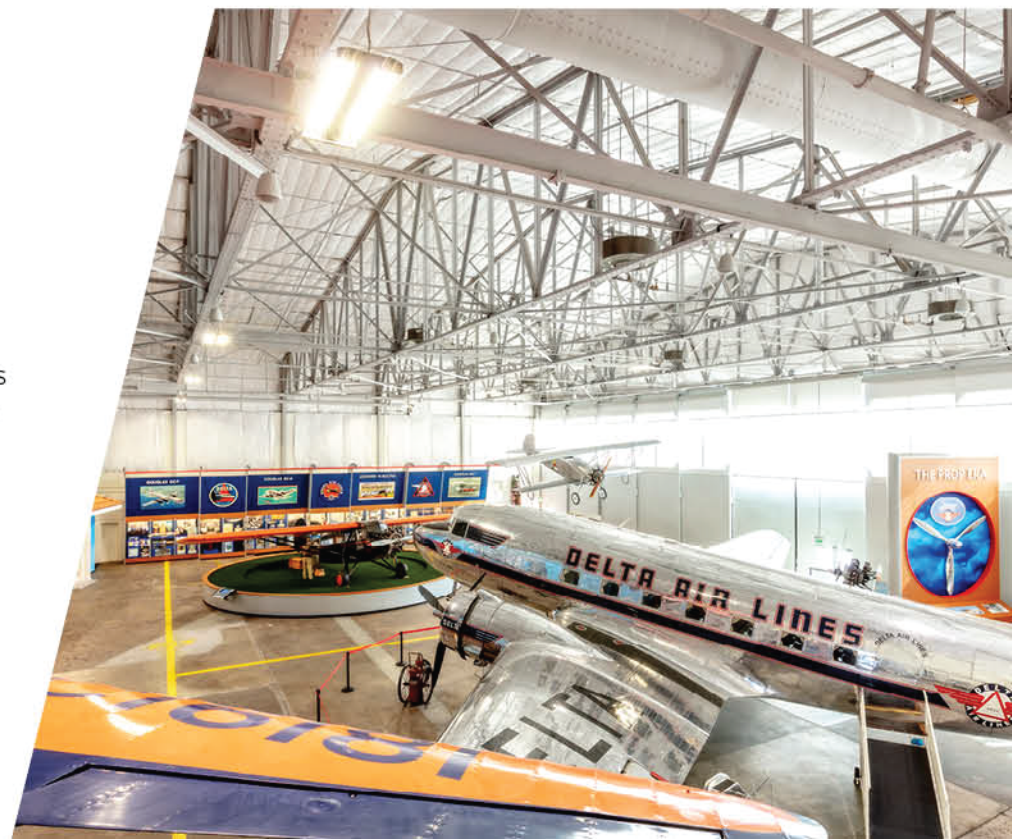

WELCOME TO THE DELTA FLIGHT MUSEUM

Located on the corporate campus of Delta Air Lines — just seconds from the world's busiest airport — the Delta Flight Museum is a premier destination for Atlanta's 50+ million visitors each year. The Museum offers a one-of-a-kind experience with interactive exhibits and rare items, cutting-edge technology, unique event spaces, engaging educational programs and a focus on what's next for the airline industry.

Whether you're interested in a tour through the history and future of flight, or eager to host a private event in a venue that combines historic glamour with modern style, you've landed at the right place.

TAKE YOUR EVENT TO NEW HEIGHTS

The sky is the limit for private events at the Delta Flight Museum, with multiple spaces of varying sizes to accommodate you and your guests. Housed in renovated airplane hangars originally constructed in the 1940s, the Museum offers historic appeal refreshed by stunning modern design at every turn.

Our talented staff and partners are ready to help your event take flight. From scheduling guided tours to coordinating flight simulator experiences or offering gifts from the Museum Store, we will work with you on every unique detail to ensure your custom event is unlike any other.

OUR EVENT SPACE

JET AGE HANGAR

The Jet Age Hangar is our largest space and showcases modern aircraft and the future of flight. Nowhere else in the world can you host a seated dinner nestled under the wing of Delta's first Boeing 767, "The Spirit of Delta," which was gifted to the company by its employees. You and your guests can also "fly" a Boeing 737 in the only full-motion flight simulator in the U.S. that's open to the public — the same one used to train Delta pilots. *The Jet Age Hangar accommodates up to 1,000 Banquet/1,500 Reception.*

PROPELLER AGE HANGAR

The Propeller Age Hangar highlights the propeller age of aviation. This space offers a distinctive setting where groups can enjoy rare historical planes and items in the style of the 1940s. *The Propeller Age Hangar accommodates up to 100 Banquet/400 Reception.*

AMERICAN EXPRESS THEATRE

Consider the Museum's American Express Theatre for your next meeting. Located in the Propeller Age Hangar, the Theatre combines unique style with modern technology that's certain to leave a positive and lasting impression. *The Theatre accommodates up to 117 in fixed seating, with an additional five ADA positions.*

TRISTAR CONFERENCE ROOM

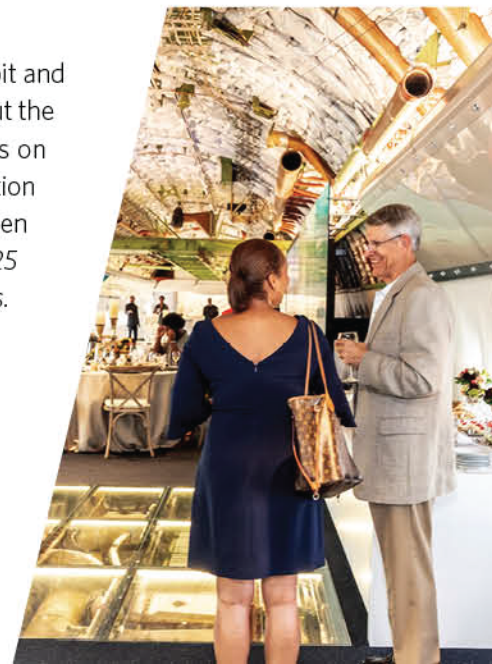

The TriStar Conference Room is located in the original fuselage section of the first L-1011 TriStar prototype aircraft built by Lockheed. Movies, in-flight safety videos and photos have been shot inside the L-1011, and it also once served as the Museum's Retail Store. This unique conference room is sure to make your next meeting truly memorable. *The TriStar Conference Room seats up to 24 guests in executive seating around the extended conference table.*

THE 747 EXPERIENCE

Ship 6301 was the first 747-400 built by the Boeing Aircraft Company. This unique exhibit and event space opened in March 2017. Inside, visitors are able to sit in aircraft seats, check out the upper deck, walk out on a wing on our custom-designed wing walk, examine what goes on behind the walls of an aircraft, and learn all about the history of the 747 and its role in aviation history. The plane is available for private events every evening and on Wednesdays when the Museum is closed to Patrons. *The 747 Experience can accommodate 60 Banquet/125 Reception. The Plaza area surrounding the 747 Experience is also available for outdoor receptions.*

THE MUSEUM PAVILION

With the stunning backdrop of The 747 Experience, this covered outdoor space can accommodate large and small events. The Pavilion is the perfect option for a team meeting or customer event. Ready to entertain, the space is equipped with a sound system and microphones upon request. *The Pavilion seats up to 140 Banquet/ 225 Reception.*

FIRST CLASS VENDORS

The Delta Flight Museum features a catering kitchen and offers catering onsite through one of our exclusive catering partners who can customize food and beverage offerings to meet your style and budget.

CUTTING-EDGE TECHNOLOGY

A state-of-the-art facility, the Delta Flight Museum offers everything you need for large-scale events and conferences, including audiovisual equipment, three-phase power and complimentary Wi-Fi.

EASY ACCESS

The Delta Flight Museum offers easy access to Delta's headquarters through a dedicated entrance for event guests and Museum patrons. Proximity to the airport, luxury hotels and complimentary parking make event logistics a breeze.

PRICING

The Museum has base fees for the use of each space, but each event has its own characteristics and demands. Usage fees are customized based upon the number of guests, the space utilized and the duration of the event. Contact the Delta Flight Museum for assistance in determining space needs and fees.
