THERE ARE FIVE PANTS AVAILABLE; EACH HAS A DIFFERENT BEST END USE. PLEASE READ THE FOLLOWING CAREFULLY BEFORE MAKING YOUR SELECTION(S). ALL OF THE PANTS LISTED ARE IN DURABLE PRESS AND REQUIRE LITTLE OR NO IRONING.

**WINTER WEIGHT GABARDINE PANT #845.** A good looking heavy-weight gabardine pant in a blend of 65% polyester/35% rayon. These pants have quality slack features including: Banrol Waistband, Double Hook and Eye Closure, Fly-Tab, Moderate Flair, and Dress Pant Back Pockets. These pants are ideal for cooler days and climates.

**TROPICAL WEIGHT PANT #846.** A dressy tropical weight pant of 65% polyester/35% rayon. This pant has all of the features of the above Pant #845 and is ideal for warmer weather.

**YEAR-ROUND WEIGHT UTILITY PANT #945.** A durable and economical standard work pant in a medium year-round weight of 65% polyester/35% combed cotton twill. Features include straight leg styling, no-roll waistband, and heavy duty pocketing, zipper, and seam construction. This pant is best suited for year-round use where low cost and utility are desirable.

**JEAN STYLE PANT #948.** A durable, low cost jean style utility pant in a 65% polyester/35% combed cotton twill. This pant is similar in construction to the #945 and, in addition, features a jean look with frontier front pockets, low rise, trim fit back yoke, rear patch pockets, and a slightly flared leg. This pant is ideal for year-round use.

**HEAVY WEIGHT TWILL JEAN PANT #949.** A durable jean pant in a heavy cotton/polyester twill. Has same features as above Jean Style Pant #948.
