Pennsylvania Airlines, Inc.: Trips 7 and 8 which had carried mail and express only between Cleveland and Washington, now carry passengers. These two schedules have been speeded up 20 minutes in each direction. Trip 8 leaving Cleveland at 1:00 A. M. arrives Washington 20 minutes earlier at 4:10 A. M., while Trip 7, although leaving Washington 5 minutes later at 10:00 P. M., arrives in Cleveland 15 minutes earlier at 1:35 A. M.

With the addition of passenger service on the above mentioned Trips 7 and 8 Pennsylvania Airlines is now carrying passengers, mail and express on its five trips in each direction between Cleveland, Pittsburgh and Washington. Departures from Cleveland are at 1:00 A. M., 7:30 A. M., 12:30 P. M., 4:10 P. M. and 8:00 P. M., and from Washington at 8:10 A. M., 11:10 A. M., 3:15 P. M., 5:15 P. M. and 10:00 P. M. The 1:00 A. M. and 7:30 A. M. departures from Cleveland and the 8:10 A. M. and 10:00 P. M. departures from Washington are operated daily except Sundays and Holidays, while all other trips are operated daily.

Eastern Air Transport, Inc.: An additional non-stop express schedule between New York and Washington has been provided. Southbound the plane leaves Newark at 8:40 A. M. arriving Washington at 10:15 A. M. and northbound leaves the latter city at 5:00 P. M. arriving Newark at 6:35 P. M. The service between Warm Springs and Atlanta, Georgia, has been discontinued.

Western Air Express: The departure time of Trip 5 from Salt Lake City for Los Angeles has been advanced 2 hours and 45 minutes to 5:00 A. M., thereby providing a 10:00 A. M. arrival at the latter city and 11:15 A. M. at San Diego. The departure time of Trip 1 has been changed from 5:00 P. M. to 4:35 P. M. These new departure times provide an improved service for passengers from Omaha, Chicago, Toledo, Cleveland and New York.

The northbound departure from Albuquerque for Denver and Cheyenne has been advanced from 11:25 A. M. to 10:45 A. M. thus providing a 3:05 P. M. arrival at Denver and a 4:20 P. M. arrival at Cheyenne. Trip 1 from Cheyenne to Denver now leaves the former city 1 hour later at 9:15 A. M.

U. S. Airways, Inc.: Special Winter round trip rates between the following cities have been announced: Kansas City and Denver \$35.00 (regular rate \$49.50); Kansas City and Salina \$15.00 (regular rate \$18.90); Denver and Goodland \$14.00 (regular rate \$15.30). These tickets with a return limit of 15 days are on sale at all offices and agencies.

United Air Lines: United now operates one round trip daily service from Philadelphia to Cleveland and Chicago, where connections are made with its planes for the West. The plane leaves Philadelphia westbound at 3:55 P. M., reaching Cleveland at 6:55 P. M., and Chicago at 8:50 P. M. It connects with Trip 5 to the Pacific Coast. Eastbound Trip 2 from the Pacific Coast connects at Chicago with Trip 18 leaving Chicago at 8:15 A. M. and connecting at Cleveland with Trip 44, which leaves Cleveland at 11:45 A. M. and arrives in Philadelphia (Camden Airport) at 2:20 P. M. This schedule is flown with Boeing twin-motored planes.

A winter operating schedule became effective December 17 providing for six round-trip flights daily between New York and Chicago, all of which are flown with Boeing twin-motored ships. The three Coast-to-Coast daily schedules, daily in both directions, are retained but important changes are made in the schedules. The elapsed time from San Francisco to Chicago is cut on Trip 4 to 13½ hours and to New York, 19½ hours.

Westbound, the elapsed time on Trip 3 becomes 22 hours from New York to San Francisco and 15½ hours from Chicago to San Francisco. This plane, leaving New York at 11:30 A. M. and Chicago at 5:00 P. M., makes connections at Salt Lake with planes arriving in Los Angeles, San Francisco, Portland, Tacoma and Seattle the following morning. An important change on Trip 5 is a later departure from New York leaving there at 9:15 P. M. instead of 4:00 P. M. and out of Chicago at 2:30 A. M. instead of 9:00 P. M., arriving at Pacific Coast points in the evening. This is a new service into Los Angeles.

United is now flying daily round-trip schedule between Seattle and Spokane. The plane leaves Spokane at 8:00 A. M., arriving Seattle 10:30 A. M., where connections are made for Tacoma and Portland, arriving at the latter point at noon. Returning, the plane leaves Seattle at 2:00 P. M. and arrives Spokane at 4:10 P. M. Boeing Hornet-powered four-passenger cabin planes are being flown over this route.

The planes on Trip 12 now leave Kansas City at 5:00 P. M., arriving in Chicago at 7:45 P. M. and New York 2:30 A. M.

Three of the five flights daily between Los Angeles and San Francisco are now routed via Bakersfield and Fresno. The trips which are flown via Bakersfield and Fresno are: Southbound, 4, 6 and 12; northbound, 3, 9 and 15. The other two trips are non-stop between Los Angeles and San Francisco. All of these schedules are flown with the Boeing multi-motored planes.

Northwest Airways: Daily passenger and express service has been inaugurated between Spokane, Wenatchee, Seattle and Tacoma, Washington. Westbound the plane leaves Spokane at 7:45 A. M., arriving Seattle at 10:15 A. M. and Tacoma at 10:40 A. M. Eastbound the plane leaves Tacoma at 12:40 P. M., Seattle at 1:00 P. M., arriving Spokane at 3:25 P. M. Regular stops are made at Wenatchee on both flights. The one way fare between Spokane and Seattle is \$12.00 and the round trip rate is \$21.50. In both of these cities service to and from the airport is provided by the Yellow Cab Company. Passengers should allow 30 minutes from the downtown section to the airport.

A complete new and considerably revised table of one way and round trip fares is included in the listing on page 5. The round trip rate between the Twin Cities and Chicago has been reduced \$5.00 to \$30.00. The one way fare from Chicago to Billings has been reduced \$4.00 to \$61.00. The round trip fare between St. Paul and Fargo is now \$20.00. Be sure to consult this new fare table which is effective January 1, 1934, for the correct fares.

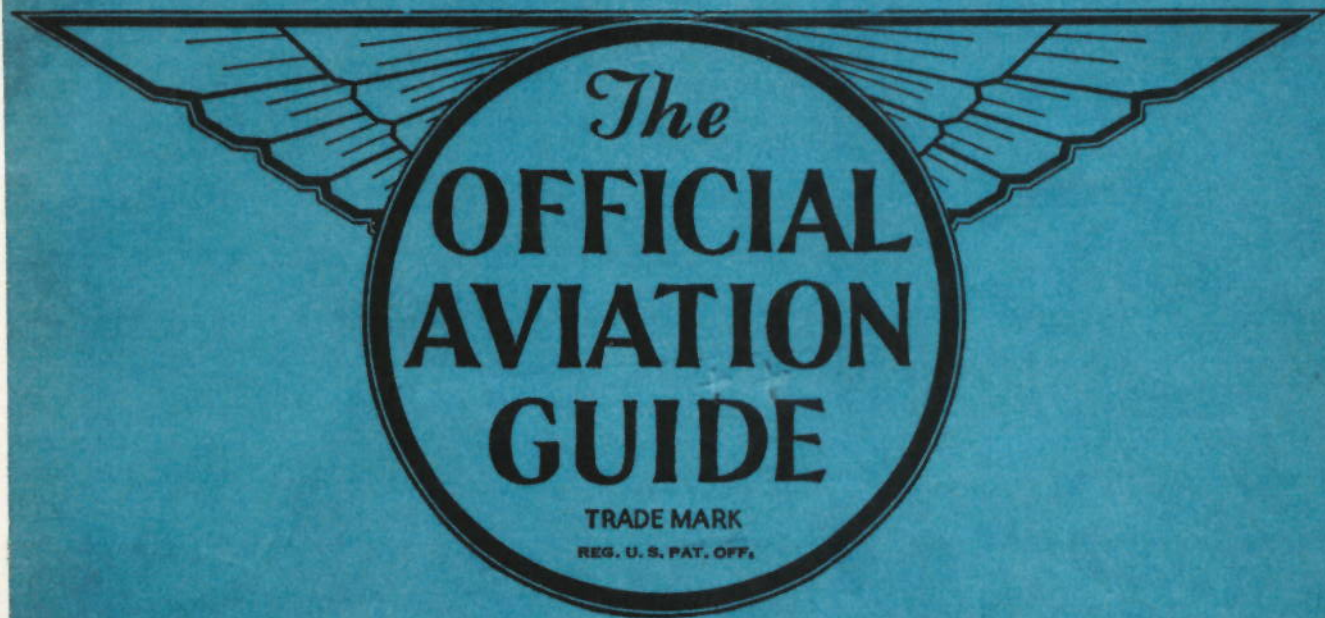

Hanford-Rapid Air Lines: The operations of Hanford Air Lines and Rapid Air Transport have been merged into a single unified service between St. Paul, Minneapolis, Sioux Falls, Sioux City, Omaha, St. Joseph and Kansas City. The old Rapid Air Transport route between Kansas City and St. Louis has been discontinued. Southbound planes leave St. Paul at 7:30 A. M., Minneapolis at 7:40 A. M. arriving Omaha at 10:35 A. M. and Kansas City at 12:00 Noon. The through fare from the Twin Cities to Kansas City is \$24.80. The round trip rate is \$44.64. Northbound the plane leaves Kansas City at 12:15 P. M. arriving Omaha at 1:40 P. M. and St. Paul at 5:00 P. M.

The new merged schedule of Hanford Air Lines and Rapid Air Transport should be of distinct advantage to the traveler as it affords excellent connections with other air lines at Minneapolis, Omaha and Kansas City. Going south, direct connections are made at Omaha for both the East and West Coasts via United Air Lines. At
