## WELCOME TO THE DELTA FLIGHT MUSEUM

Located on the corporate campus of Delta Air Lines — just seconds from the world's busiest airport — the Delta Flight Museum is a premier destination for Atlanta's nearly 50 million visitors each year. The Museum offers a one-of-a-kind experience with interactive exhibits and rare items, cutting-edge technology, unique event spaces, engaging educational programs and a focus on what's next for the airline industry.

Whether you're interested in a tour through the history and future of flight, or eager to host a private event in a venue that combines historic glamour with modern style, you've landed at the right place.

## TAKE YOUR EVENT TO NEW HEIGHTS

The sky is the limit for private events at the Delta Flight Museum, with multiple spaces of varying sizes to accommodate you and your guests. Housed in newly renovated airplane hangars originally constructed in the 1940s, the Museum offers historic appeal refreshed by stunning modern design at every turn.

*Our talented staff and partners are ready to help your event take flight. From providing tours to coordinating flight simulator experiences or offering gifts from the Museum Store, we will work with you on every unique detail to ensure your custom event is unlike any other.*

# OUR EVENT SPACE

## JET AGE HANGAR

The Jet Age Hangar is our largest space and showcases modern aircraft and the future of flight. Nowhere else in the world can you host a 1,200-person seated dinner nestled under the wing of Delta’s first Boeing 767, “The Spirit of Delta,” which was gifted to the company by its employees. You and your guests can also “fly” a Boeing 737 in the only full-motion flight simulator in the U.S. that’s open to the public — the same one used to train Delta pilots.

## PROPELLER AGE HANGAR

The Propeller Age Hangar exhibits the propeller age of aviation. This space offers a distinctive setting where groups of up to 400 guests can enjoy rare historical planes and items in the newly revived style of the 1940s.

## OUTDOOR COURTYARD

The Museum’s Outdoor Courtyard can serve as the setting for a cocktail reception for up to 400 guests, providing the opportunity for guests to enjoy Atlanta’s comfortable climate.

## THEATER

For groups of 117 or less, consider the Museum’s Theater. Located in the Propeller Age Hangar, the Theater combines unique style with modern technology that’s certain to leave a positive and lasting impression.

## TRISTAR CONFERENCE ROOM

The TriStar Conference Room is housed in the original fuselage section of the first L-1011 TriStar prototype aircraft built by Lockheed. Movies, in-flight safety videos and photos have been shot inside the L-1011, and it also once served as the Museum’s Retail Store. This unique 30-person conference room is sure to make your next meeting truly memorable. .
