

February 19, 2021

The Delta Flight Museum has been closed since March 14, 2020 because of the COVID-19 pandemic. At this time, **we remain closed to visitors**. We are unable to accommodate admissions, tours, and simulator bookings. In the meantime, we are assisting the State of Georgia by becoming a vaccination site. If you are interested in registering for the vaccine, please visit <https://myvaccinegeorgia.com>.

We will continue to evaluate our need as a vaccination site, and hope to reopen to visitors later in the year. When a reopening date has been set, we will advertise the reopening on the website and our social media pages:

- <https://www.facebook.com/DeltaMuseum/>
- <https://www.instagram.com/deltaflightmuseum/>
- <https://twitter.com/dflightmuseum>

In the meantime, please enjoy the museum's website. We've been working both from the office and home, adding content to our blog and online collections databases. Check them out here:

- <https://www.deltamuseum.org/about-us/blog>
- <https://www.deltamuseum.org/exhibits/collections>

For any questions or concerns related to the Delta Flight Museum, please contact us at (404) 715-7886 or museum.delta@delta.com. We appreciate your understanding, and we look forward to seeing you once again soon.

Sincerely,

A handwritten signature in black ink, appearing to read "John W. Boatright".

John W. Boatright
Museum President
