

## Group Visit Policies & Guidelines

The Delta Flight Museum welcomes schools, camps, and community groups of all ages. We invite you to request either a guided visit led by a trained Museum staff member or volunteer, or a self-guided visit which allows you to lead your own group through the Museum.

### Groups

For all groups of ten (10) or more people, reservations are strongly encouraged. Groups are added to our Museum calendar once reservations are made. Please call (404) 715-7886 for pricing and availability. If you choose to book a guided tour, please let us know at least one week in advance so that we may make proper arrangements.

We require children's groups to have a minimum of 1 adult chaperone for every 10 students (1:10). We strongly encourage K-5 student groups to bring additional chaperones. For groups of children under 5 years old, we require a minimum of 1 adult for every 5 children (1:5). All group reservations are subject to evaluation on a case-by-case basis.

Groups need convene together prior to checking in at the admissions desk. An average visit lasts 1-2 hours. The Museum's closing procedures start at 3:45, so please plan your visit accordingly.

### Tour

A group may add a guided component to their visit. Each tour lasts approximately one hour. Tours are limited to 25 people (including chaperones). If your group is larger than 25, you will be required to divide into two groups. The tour fee will apply to each group of up to 25 people. For groups over 50 people, you may either book an orientation in our theater or proceed to a self-guided visit.

Youth groups of 50+ people (including chaperones) are required to add a 30-minute orientation in our theater. Theater fee will apply. Theater seats 117.

### Payment

- Group payments are preferred in advance, but are required to be made no later than the date of your visit. If you do not have a confirmed group headcount, please pay upon arrival as no refunds will be issued at the register.
- Payments may be made by cash, credit card, and check (personal or organizational) made payable to the Delta Flight Museum.
- To expedite your check-in process, we ask that the group leader proceed to the admissions desk in the Museum lobby to check in and/or process any payments owed. Please note that we do not keep credit cards on file.
- It is preferred that one payment be made for the group by the group leader versus individual payments.
- If you have paid in advance, but your group size has grown, additional group tickets may be purchased upon arrival at the admissions desk at the group rate. Please note that if you have reserved a guided tour, this addition may affect your guided tour experience.

## Cancellations

To cancel your reservation, please call (404) 715-7886 as soon as possible so that we may release your tour appointment to a different group. If you have prepaid, we will either reschedule your group or issue you a refund.

The Museum reserves the right to cancel reservations.

## Arrival
